

Dato' Sri Ngu Tieng Ung, JP

Dato Sri Ngu, aged 52, JP holds an Honours UK Degree in Accountancy and is a member of the Association of International Accountants. He is an accountant-turned entrepreneur and venture capitalist with specialization in corporate finance, business consultancy, investment banking and venture capital for the last 20 years.

From late 1990s, Dato Sri Ngu diverted his business ventures beyond Malaysia frontiers and participated in several public and private investments as chief investment strategist and investor in Mongolia, Kazakhstan, China, Hong Kong, Indo-China, Australia, PNG, New Zealand, USA, Canada, UK and Indonesia. These investments span across a broad spectrum of business sectors including resource based, oil & gas, mineralization and commodities, high-technology, manufacturing, financial services, plantation and real-estate development. The broad-based business set-up has created for him a wealth of business experience and valuable business networking form the Asia to Europe and North America business community.
